...college funding made simple.™

www.nextstudent.com

Mission Statement

Because we believe that getting an education is the best investment you can make in your future, NextStudent helps students and their families achieve their college education dreams by making college funding simple—simple to understand, simple to apply and simple to manage. To that goal, we strive to provide the most outstanding education resources in the industry including one-on-one education finance counseling, a comprehensive, easy-to-use Scholarship Search Engine, and a portfolio of low-cost education loan programs.
